SPLENDID PROGRAM FOR ARMISTICE DAY

Richmond and Berea Legion Posts In Charge of Madison's Celebration Friday

Madison county's American Legion celebration on Armistice Day will be in charge of committees from the Cleveland Frost Post of Berea and the Jesse M. Dykes Post of Richmond.

Splendid programs have been arranged for the entire day. At nine o'clock Friday morning a big delegation will leave Richmond for Berea. Cars will be provided for everyone who can go. The party will assemble at the Jesse M. Dykes Club Rooms—over the Southern National Bank. Those who have room in their cars for extra passengers should get in touch with L. W. Dunlap, chairman of the transportation committee.

The crowd will return from Berea at noon. The Richmond delegation will be accompanied home by a large crowd of Berea Legionnaires and citizens.

In the afternoon a foot ball game between the American Legion team and the sophomores of the University of Kentucky will be the chief attraction. Before the game a band concert will be given by the Legion band. This band is composed of 35 pieces. The band as well as the foot ball team will be composed of both Berea and Richmond boys. It is truly a joint program all the way.

The program will close with a banquet at the Masonic Temple at seven o'clock. It is expected that the largest number of service men ever assembled in Richmond will be in attendance at the banquet.

The boys are asking for the support of Richmond and Madison county. They are depending upon the foot ball game to finance the entire program. An admission of fifty cents will be charged. If you enjoy a good foot ball game, attend. If you want to help the Legion, attend. Those who do not attend will be conspicuous by their absence. Let's help the boys put this program over.

LEGION TO PLAY FAST ELEVEN ON FRIDAY

The American Legion eleven of the Berea and Richmond posts are to play the University of Kentucky Sophomores on the Normal field Friday after the Armistice Day celebration. The Sophs played the Eastern team and defeated them in the early part of the season and are the heaviest class team at U. K. The heavy line was responsible for the Eastern defeat and will be intact for the Legion game. The Freshmen and the Sophs played to a scoreless tie at Lexington recently. The Freshmen have been defeating some of the best High School teams in the state. The Sophs are coming in full force and believe that they can defeat the Madison Legionnaires.

The two posts, however, are going to put on the field the best team possible. They are directed by Captain Lassiter, mentor at Madison Hill. He is a great player himself and is going to take part in the game if he does not have to take the trip with the Madison boys to Mt. Sterling. Some old stars are going to be in the Legion lineup. The Berea representatives on the team are also good players. The strong line that they played here last November is coming out for the combined team. The game is sure to be a fast one. The Dodge teams also plays on Friday, before the big game.

BEREA COUNCIL IS SPLIT THIS TIME

Citizens' Ticket Manages To Elect To Of Its Candidates To Four Republicans

Berea had a hot councilmanic race, between the regular Republican ticket and a Citizens' ticket. Berea elects six councilmen, and the republicans captured a majority of them, electing four to two for the Citizens' ticket. The latter two winners are Blevins and Clark. The vote each candidate received, the top six being elected, is shown by the stub books to be as follows:

T. B. Stephenson, R	405
W. E. Farmer, R	385
J. M. Coyle, R	360
Blevins P. Allen, C	354
W. S. Strachan, R	338
Francis C. Clark, C	337
J. B. Richardson, R	333
Ernest E. Bender, C	319
C. C. Preston, R	315

DEMOCRATS LOSE AS RESULT OF FIGHT

Jackson, Nov. 10.—The election of Dr. J. D. Whitaker, Cannel City, democratic incumbent, to the Senate from the thirty-fourth district, was conceded last night by M. S. Crain, Jackson, his republican opponent, on the face of returns from the five counties in the district. The complete returns with reports of five precincts of the district unofficial, give Whitaker a 200 majority.

No returns will be received from Clayhole precinct, which was the scene of the shooting affair Tuesday in which five persons were killed. The ballot box in this precinct was thrown in Troublesome Creek during the trouble and no voting followed. Clayhole precinct is normally democratic.

Democrats attribute the election of a republican sheriff and county judge for the first time since the county was organized in 1832 to the loss of this precinct. The rest of the democratic county ticket was elected.

Democrats Victors In Letcher County

Whitesburg, Ky., Nov. 10.—Letcher county, although rock-ribbed republican for half a century, is in the democratic column today. J. E. Childers, democrat, of Pikeville, was elected circuit judge by 1,500 majority over Roscoe Vanover, republican nominee. Although returns are incomplete, Dr. J. B. Fitzpatrick's majority for county judge will be over 1,000. John Francis, democrat, defeated Stephen Combs for circuit clerk and Fess Whitaker, "jailed jailer," independent republican, has carried the county by about 100 over Jones Combs, republican nominee for sheriff. The constitutional amendments have carried.

Mr. Spence, of Berea, made an interesting talk to the folks at Wylie school Friday afternoon. Mr. and Mrs. Lois Collins are rejoicing over the arrival of a baby boy; Nov. 5, and named Obra Delmas.

A lot of folks here attended court in Richmond Monday.

PRAYER MEETING FOR DISARMAMENT

A prayer meeting in behalf of the Disarmament Conference to be convened in Washington on Friday, the third anniversary of Armistice Day, will be held at the First Baptist church Friday morning from 7 to 8 o'clock. All who believe in the Divine efficacy of prayer are earnestly requested to attend this meeting. An event so important as this in the world's history, should be kindled with delight by every peace-loving citizen in this country. Let us begin this memorial day with prayers to Almighty God for strength and guidance.

DODGES HAVE HARD GAME HERE FRIDAY

The Dodge team goes up against the Winchester City Hi Freshmen on the Normal field Friday afternoon at 2 o'clock before the big game between the U. K. Sophmores and the American Legion team. This is the strongest team that the Dodges stack up against this season and a hard battle is expected. The local team has won four straight games and is ready for new blood. The Berea Boy Scout team fell before the local boys recently. Clark County Freshmen outweighed the Dodges but they were defeated by the Dodges, too. The lineup will probably be Ricci center; Jett and Black, guards; McCord and Maupin, tackles; Blanton and Young, ends; Saulley, quarter, Adams, full, and Dunn and Pearson, halves. One reason the Dodges say success has followed this season is a follower of the roster.

Base Ball Stars Win In Politics

So far as returns are in, Tuesday was a good day for base ball stars seeking political honors, in Kentucky, anyway.

Jim Park, Madison's crack athlete and star pitcher for the Red team of Lexington, once a big leaguer, was elected Representative on the republican ticket from Madison to the next House at Frankfort.

In Laurel county, Tifford Jones, running as an independent, won for County Clerk over his republican opponent by a big majority. Jones once managed for Richmond in the Blue Grass league and has played with Louisville in the American Association, and other big clubs.

An unusual coincidence was noted in the race for Representative in Madison. Both Jim Park and Willis Kennedy his democratic opponent, were twins. Each had lost his twin brother, Park's twin, Joel Park, having died nearly three years ago, while Kennedy lost his twin brother, Warren Kennedy, hardly a year ago.

Harry Sommers' County Buries Amendments, Too

Elizabethton, Nov. 10.—Hardin county's democratic candidates were swept into office by majorities of about 1,000, approximately the same as last year. The feature of the election was the defeat of the constitutional amendments by overwhelming majorities. The vote on No. 1 was: For, 206; against, 4,216; No. 2, For 207; against 4,242.

G. O. P. Carries Mason

Maysville, Nov. 10.—Complete unofficial figures today from Mason county show that H. P. Purnell was elected county judge; Carey M. Devore, sheriff, and A. M. January, county clerk. All are republicans and their majorities are small.

Devore, republican, 2,346. The entire county ticket was elected. Logan Woods for sheriff, leads with a majority of 1,040 votes. In the city council race, the independent ticket won with one member majority.

Weil Buys Lincoln Cattle

In Lincoln county the Stanford Journal says James H. Woods sold to Jay Weil, of Lexington 40 head of 1,370-lb cattle at 8c. Mr. Weil says this is the finest bunch of cattle he has bought in a long time.

Democrats Control Senate, Too

The victory of Dr. Whitaker over Mitch Crain in the Magoffin Senatorial district gives the Democrats control of the next State Senate as well as the House. Their majority in the senate is only one, however. The Democrats captured the Hopkins-Christian district with James Rash, lost with Joe Robinson in the Boyle, Garrard, Lincoln and Casey district and won with Dr. Whitaker, giving them two out of three of the doubtful districts. Fair enough!

Morrow today to proceed to Sandy Hook, November 14, to guard the Elliott county circuit court there where a number of liquor cases are on docket. REQUEST BUSINESS HOUSES TO CLOSE

The postoffice and all the banks will be closed in town Friday, Armistice Day, which has been declared a national holiday. At the request of the Legion posts, practically all of the business houses in town will be closed for the afternoon so that their employees and the public generally may enjoy the band concerts and see the football game at the Normal campus. The local legion boys have informally asked their business friends to help them make the day a big success by closing up for the afternoon.

Rev. Z. J. Amerson has accepted a call to preach at Republican Baptist church next year.

ELOQUENT TRIBUTE TO UNKNOWN DEAD

Is Paid At Capitol As Thousands Pass By American Boy's Casket

(By Associated Press) Washington, Nov. 10.—Great and small folk moved in an endless procession today through the rotunda of the capitol to pay tribute to the unknown American dead soldier lying there in such state as only martyred presidents have known.

Hour by hour the heaps of flowers about the casket grew. Some of them bloomed in France and others came 9,000 miles from South Africa.

The throng passed through a narrow roped way, each side lined with marines. Each man wore a French decoration for high valor.

At eight o'clock the doors to the rotunda were opened and the waiting throng, four abreast, passed beside the casket. As the first line stepped into the hall, male voices in blended harmony, sang the last verse of "America." They sang with a peal of victory and no hint of sorrow.

ELECTION NOTES

Sam Hurst, republican candidate for circuit judge, won in the Estill district, by 100 votes over Chester Bach, his democratic opponent. J. M. McDaniel, democrat, for commonwealth attorney, won. He carried Lee and Breathitt counties over W. L. Kash, republican, who carried Estill.

Green county elected four out of nine democrats running in county races, something which had never been done in the history of the county.

In Casey county, where the democrats, with great hardihood, put up candidates for county judge, sheriff, county attorney, and county clerk, a large republican majority was overcome and Oscar Fair, democrat, elected county judge over the incumbent, Judge J. D. Taylor, by a majority of 342; E. C. Moore, democrat, elected county attorney over Eli G. Wesley, incumbent, by a majority of 480, and Charles M. Wesley, democrat, defeated Les Combest, republican, by 100 votes in the race for sheriff. George P. Garner, republican candidate for county clerk, defeated his democratic opponent, Mrs. Emma Overstreet, who was elected jailer of Casey county by a big majority which may reach 1,500. She is the widow of Mose Overstreet, the republican candidate, who died two weeks before the election. The republican county executive committee nominated Mrs. Overstreet for the office.

The democratic candidate for sheriff of Pulaski county, Jack Edwards, had a lead of 190 votes in 48 out of 50 precincts. The democrats put up only three candidates in this republican county the home of Gov. Morrow.

Up in the mountains, Leslie Perry-Owlesley judicial district, R. B. Roberts, independent, defeated J. C. Eversole, republican incumbent, for circuit judge, duplicating his effort of six years ago when, defeated in a republican primary, he ran for commonwealth attorney as an independent and won.

Joe Coleman, the little five-months-old son of Mr. and Mrs. Robert Sharp, died at the home of his parents near Duncannon, after a brief illness of pneumonia. Funeral services were held at the grave in Richmond cemetery by Rev. D. H. Matherly. The sympathy of many friends is extended to Mr. and Mrs. Sharp in their sorrow.

He has sold \$375 worth of pups from the female canine so far this year and the end is not yet in sight. Who can beat it?
